CLEAR ALIGNER THERAPY & DIGITAL DENTISTRY *MASTERCLASS*

27TH NOV 2026 | 09:00 - 16:45

MELIÁ WHITE HOUSE, ALBANY STREET, REGENT'S PARK, LONDON - GREENWICH ROOM

Join Our *Speakers*

DR. RAMAN AULAKH

DR. BARRY BUCKLEY

DR. KAVITA MALKAN

DR. JIM SYKES

Join us for a full-day immersive masterclass designed to elevate your Clear Aligner and Digital Dentistry skills.

Learn from leading experts as you explore biomechanics, case assessment, and effective ClinCheck treatment planning in the morning.

The afternoon dives into communication, ethics, and digital integration, including a hands-on iTero session and practical strategies for boosting case acceptance.

End the day with drinks and networking while gaining the confidence to elevate your patient care and practice growth.
